“The deepest desire of human nature is to explore and discover.” - Anonymous

Objective: Explore Beirut on foot

Target audience: Students of S2SD-S2SE

Dear parents,

Exploring the capital city in its rich and historical buildings, churches and mosques has never been more enriching. It is in this respect that the school is offering the students of S2 the opportunity to discover, on foot, the various gems that make Beirut such a special city. The students will be accompanied by their teacher of HGA, Mr. Roland Homsy.

- Date: Thursday, May 23, 2024
- Departure from school: 15h30
- End of tour: 19h30
- Transportation fees: 3 USD

PS: The school is only responsible for the students strictly during the sightseeing tour.

PS: The students are requested to have some snacks, water, a hat and sunscreen.

The Administration
